# DEMAND **AND** SUPPLY

Building Maintenance **Excellence**

# Introduction

Welcome to our brochure, we hope you find all the answers you are looking for within these pages. We have attempted to give you an idea of the range of work that we do but, inevitably, there will be other things that we haven't had room to include. So, if you don't see your requirement covered, please do contact us. You will find our contact details on the back page.

# Contents

3-4 ..... Bathrooms & Wet Rooms

5-6 ..... Kitchens

7-8 ..... Flooring & Doors

9-10 ..... Tiling & Decorating

11-12 ..... Electrical & Plumbing

13-14 ..... Refurbishment

15-16 ..... External Works

# Bathrooms & Wet Rooms

"The work conducted by Demand and Supply has been wonderful for the morale of the home. The wet room has brought with it an immense sense of independence to our residents."  
(Property Surveyor, London)

At Demand and Supply we place a high importance on independence and safety with our range of walk-in showers and easy access wet rooms which are ideal for vulnerable people.

Our aim is to provide you with an excellent service including the design and planning of your new bathroom right through to expert installation. Plumbing, electrical work, floor/wall finishes and any accessories are all part of the package that we offer.

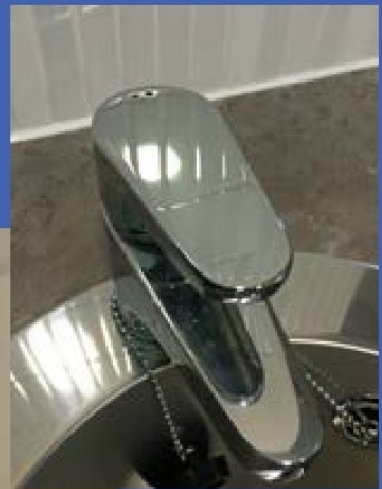

The combined skill of our carpenters, electricians and plumbers ensures that Demand and Supply can provide a comprehensive, hassle-free kitchen fitting service drawing on experience gained over a number of years' working in this field.

The photos are testament to some of our recent projects, which illustrate the ability we have to deliver and finish to the very highest of standards and demonstrate some of the top quality fittings we can provide from our reputable supplier list.

We will work with you every step of the way from design, fitting and furnishings. We can also help you adapt your ideas to achieve the outcome you desire.

# Kitchens

# Flooring & Doors

You will appreciate the importance of having safety flooring and fire-rated doors in your homes. We have access to reputable flooring specialists enabling us to supply and fit both practical and stylish floors that meet the required standards.

Demand and Supply will always provide 30 minute fire rated doors to offer the greatest level of protection should the need arise. We also use locks sourced from the highest quality suppliers to ensure that reliability and safety are paramount.

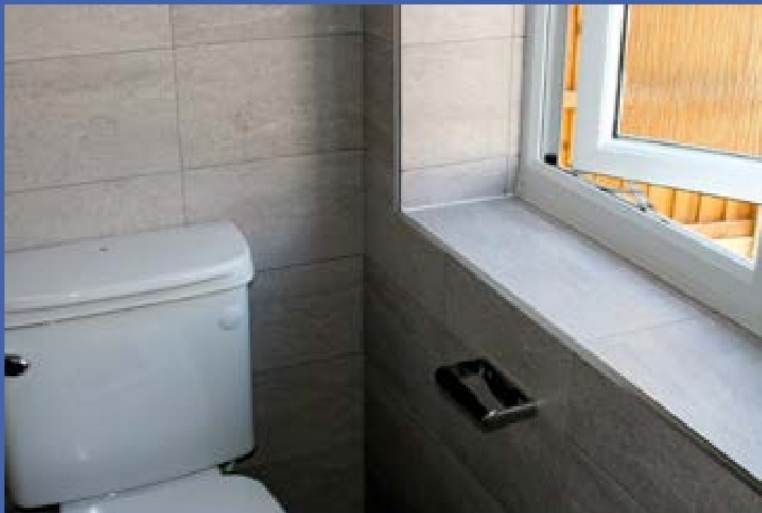

You will want to make every resident feel at home and safe in the property. With our knowledge and expertise Demand and Supply can cater for every individual's needs taking specific preferences into account to personalise their space.

Our tiling is not only professionally installed but also serves as a safety feature and by so doing, can provide more independence for residents. For example, our wet rooms can take account of visually-impaired residents, supplying different tiles and safety accessories to help with support and orientation.

# Electrical & Plumbing

At the forefront of our aims is providing stability to Care Homes through ensuring that all plumbing and electrical work is professionally installed and well maintained.

From our experience of working with existing Care Home clients, we know that reliability is paramount. Demand and Supply aims to respond to your request within 24 hours of receiving a request.

From time to time, Care Homes may begin to look tired and in need of a 'face-lift' Demand and Supply offer a complete service from design to end product, ensuring the project is professionally managed and completed on time and to budget.

Since the company was established, we have undertaken many refurbishment projects in a number of different geographical locations and have received a considerable amount of very complimentary feedback.

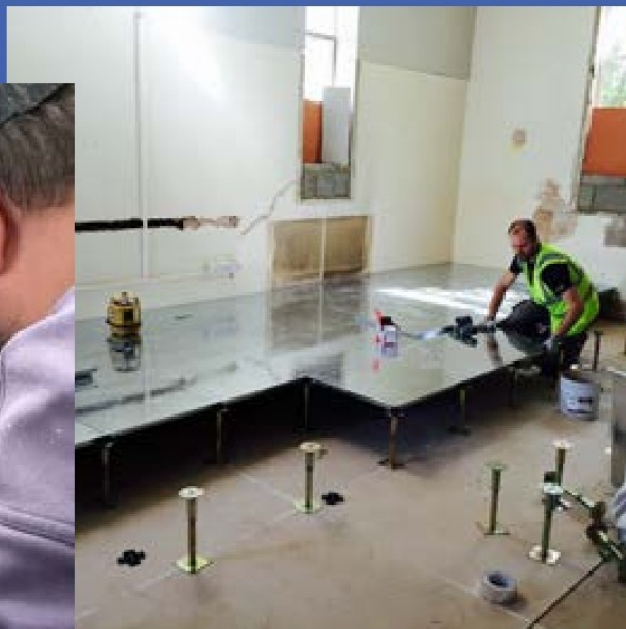

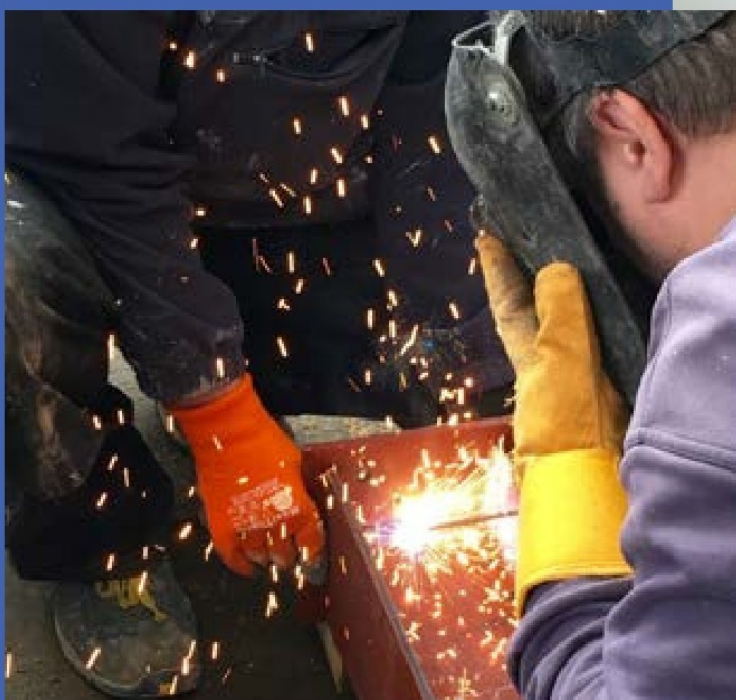

# Refurbishment

"Thank you for completing works so quickly and efficiently, the works have been completed to a very high standard and the home is looking great."  
(Property Manager, Wraysbury)

# External Works

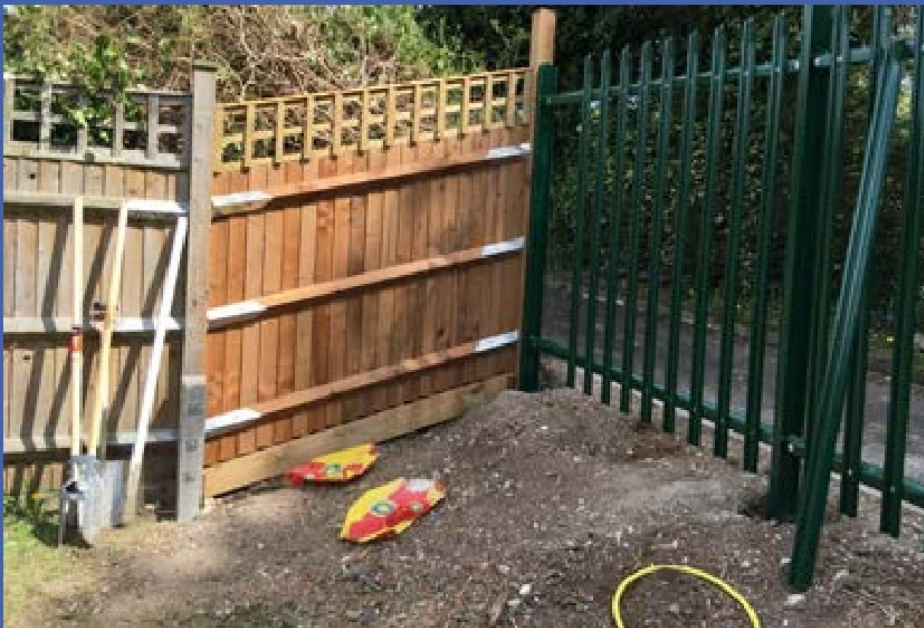

Demand and Supply not only deals with internal works but can also address your external requirements. We have expertise in installing wheelchair access platform lifts, patios with appropriate anti-slip covering, regulation specific fire exit staircases and various balustrade systems.

In addition, we can attend to all manner of gardening/landscape work, from tree removal/stump grinding, bins store construction, fence installation, planting hedging, laying artificial turf etc. With our experience and expertise as detailed above we are more than capable of finding a solution for your needs.

# Thank You!

We hope this brochure has demonstrated to you that we have the skills and experience to undertake your requirements.

We look forward to hearing from you for a free, no obligation, quote!
